**ABOUT THE CONFERENCE**

The scientific, engineering and technological progressions in modern age have facilitated the human life in multiple dimensions. We feel highly encouraged while utilizing the variety of services encompassed by recent advances in science and engineering. AMASE-2016 is aimed at providing a platform to Scientists, Industrialists, Academicians, Researchers and Students to share their innovative ideas and results via abstracts presentations. The outstanding abstracts will be appreciated.

**ABOUT THE UNIVERSITY**

Deenbandhu Chhotu Ram University of Science and Technology (erstwhile C. R. State College of Engineering) was established through an Act of Haryana State Legislature on 6th November, 2006 to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of Science, Engineering, Technology, Architecture and Management studies. The University is recognized under 12 (B) of the UGC Act, 1956. The University has been accorded 'Affiliating Status' by Act of Haryana State Legislature on 3rd August, 2011. The University is spread over 273 acres land and has 16 teaching departments under 6 different Faculties. The University is known in the region for its strong placement statistics.

**Indian Society of Analytical**  
**Scientists-Delhi Chapter (ISAS-DC)**

ISAS-DC: Indian Society of Analytical Scientists-Delhi Chapter (ISAS-DC) with its head office at IOC R&D Centre, Faridabad, is a multi-disciplinary body whose major functions are to

organize symposiums / workshops on various topics on analytical sciences relevant to academics & industry. ISAS-DC has so far has organized more than 50 National Symposia /conferences.

**ISAS-DC Executive Committee:**

**Chairman**

Dr. J. Christopher, Indian Oil R&D Centre, Faridabad

**Vice Chairman**

Dr. M.S. Alam, Jamia Hamdard, New Delhi

Mr. Prabhat K. Gupta, NPL, Delhi

**ABOUT CIL**

Central Instrumentation Laboratory (CIL) was established on 6th May 2013 with a vision to facilitate and cater the researchers of University and surrounding Institutes in its vicinity. Utilization of the instruments/ equipment has been at the base of establishing such a laboratory for meeting needs of the scientists and technologists.

## TOPICS OF INTEREST

AMASE-2016 welcomes novel contributions that cover a wide range of multidisciplinary topics ranging from the traditional research in science and engineering to newest technologies and devices. The abstracts/posters may pertain to the following topics (but are not limited to):

- Energy Storage and Applications
- Polymers and Nano Composites
- Bio Materials
- Magnetic Materials
- Electronic Devices
- Photovoltaic
- Smart Materials
- Signal and Image Processing
- Internet of Things (IoT)
- Big Data Analytics
- Artificial Intelligence
- Distributed Computing
- Soft Computing
- Energy and Environment
- Other related areas

## CALL FOR ABSTRACTS and SUBMISSION GUIDELINES

Authors are invited to submit their original abstracts (not exceeding one page) through email at [amase2k16@gmail.com](mailto:amase2k16@gmail.com).
